Social Science: An Introduction to the Study of Society
16e approaches social science from a common-sense perspective, rather than from a conventional social science angle. Readers will see how seemingly diverse disciplines intermingle – anthropology and economics, for example.

(PDF) An Introduction to Error Analysis. The Study of ...

This is a classic introduction to public policy. Charles Jones was a wonderful student of politics--and this book illustrates why. The book takes a traditional perspective--exploring the stages of the policy process. Jones begins by discussing the policy process itself--and its key actors. Then, the stages: problem recognition, agenda setting ...

An Introduction to the Study of Ayn Rand

This core textbook will help students in pursuit of this question by providing a comprehensive, gentle and reflective introduction to the initial study of education.

Updated in line with the latest policies, reforms and issues within education, this third edition includes: full exploration of the historical, sociological, philosophical and psychological roots of education.

An Introduction to the Study of Public Policy: Jones ...

Sir: I have the honor to submit the accompanying manuscript of a memoir bearing the title "An Introduction to the Study of the Maya Hieroglyphs," by Sylvanus Griswold Morley, and to recommend its publication as a bulletin of the Bureau of American Ethnology. The hieroglyphic writing developed by the Maya of Central America and southern Mexico was probably the foremost intellectual achievement of pre-Columbian times in the New World, and as such it deserves equal attention with other graphic ...

An introduction to the study of integral equations ...

This fully updated, fourth edition of An Introduction to the Study of Education provides a comprehensive and reflective introduction to the study of education, inviting students to question what education is, who it is for and what purpose it serves. Taking the reader from the early years through to lifelong learning, it examines all forms of education and learning.
