Asking the Right Questions When you start using the scientific method to solve problems, the first thing to do is formulate the right question. And not every question is the right one. Use this printable scientific method worksheet to learn more about this.

Are You Asking The Right Question? - Forbes

Warren Berger has it right. In his bestselling new book, *A More Beautiful Question: The Power of Inquiry to Spark Breakthrough Ideas*, Berger argues that while we're all hungry for better answers, we must first learn to ask the right questions. Through a number of well-researched stories, Berger demonstrates that the most creative, successful people in the world tend to be expert questioners.
