Autoform Manual

This workshop manual contains the instructions for the use and the maintenance of the electronic AUTOFORM system. It is a complementary manual to the other baler users manuals of the LB 8100 and LB 12100. The object of this manual is to help you achieve the benefits you expected when buying this baler.

AutoForm-DieDesigner

AutoForm.resetForm('formId'); return false; } Note: onSubmit is not called if you have type=method and are using a meteor method for your AutoForm submission. mentioned here. The advantage of doing it like this is the AutoForm handles validation, and attempts submission and I can perform some customizations in the onSubmit method.
