### **Contentious politics - Wikipedia**

Contentious politics is the use of disruptive techniques to make a political point, or to change government policy. Examples of such techniques are actions that disturb the normal activities of society such as demonstrations, general strike action, riot, terrorism, civil disobedience, and even revolution or insurrection. Social movements often engage in contentious politics.

Contentious Performances presents a logic and method for describing contentious events - occasions on which people publicly make consequential claims on each other. It shows how this logic provides a better explanation of the dynamics of such events, and uses examples from Great Britain between 1758 and 1834 to illustrate this method.
