Fight! The Fighting Game RPG is a new role-playing game written by Christopher Peter for Divine Madness Press. As the name implies, the RPG is designed to capture the feel of 2D and 3D fighting games, and this RPG takes a very "metagame" approach to making that happen. How does that work? Well, we'll take a look.

### **FATAL & Friends — Fight! - The Fighting Game RPG**

In an RPG you get better at the game, but your character/party/whatever also grow in power. The challengers can be overcome with skill, but some can only be overcome with game side progression such as levels or gear. In a fighting game, the skill curve is different. You get better, not your character.
