In Getting Somalia Wrong?, Mary Harper presents the first comprehensive account of the chaos into which the country has descended and the United States' renewed involvement there. In doing so, Harper argues that viewing Somalia through the prism of al-Qaeda risks further destabilizing the country and the entire Horn of Africa, while also showing that though the country may be a failed state, it is far from being a failed society.

### **Getting Somalia Wrong?: Faith, War and Hope in a Shattered ...**

Mary Harper's book *Getting Somalia wrong? Faith, hope and war in a shattered state* paints a picture of Somalia as a vibrant and resilient society, for which statehood is, and may always have been, an unsuitable model. International efforts to bring it into line with the conventional model of the state are therefore misplaced and counter-productive, and miss opportunities to learn lessons of far-reaching relevance for global strategy and diplomacy.
