However, the Great Fire of 1666 consumed most of London's mercantile document, and therefore little is known about early English insurance. Using new archival material, this study provides the first in-depth analysis of early English insurance.

Guido Rossi, Insurance in Elizabethan England. The London ...

The Elizabethan era is the epoch in the Tudor period of the history of England during the reign of Queen Elizabeth I (1558–1603). Historians often depict it as the golden age in English history. The symbol of Britannia (a female personification of Great Britain) was first used in 1572, and often thereafter, to mark the Elizabethan age as a renaissance that inspired national pride through ...

Life in Elizabethan England Elizabeth's reign was seen as a 'golden age' of culture and exploration, but society was characterised by extremes of rich and poor. An increasing population and ...

Insurance In Elizabethan England The

The idea of Divorce Insurance or Marriage Insurance is not new. In fact, its roots go back to the very beginnings of insurance in Elizabethan England. As early as 1664, insurance policies were being written on marriages, births and even christenings. Unfortunately, most of these policies were written as a form of wager and England banned the practice in 1712. No form of marriage insurance policy has been written since.

English insurance came into being almost entirely during the Elizabethan period. However, the Great Fire of 1666 consumed most of London's mercantile document, and therefore little is known about early English insurance. Using new archival material, this study provides the first in-depth analysis of early English insurance. It focuses on a crucial yet little-known text, the London Insurance ...

Insurance in Elizabethan England by Guido Rossi

English insurance came into being almost entirely during the Elizabethan period. However, the Great Fire of 1666 consumed most of London's mercantile document, and therefore little is known about early English insurance. Using new archival material, this study provides the first in-depth analysis of early English insurance.

Insurance in Elizabethan England - The London Code | Iraq ...

The first chapters of the book offer a thorough contextualization of maritime insurance in fifteenth- and sixteenth-century England. The author shows how in the course of the later 1400s and early 1500s the Genoese style of writing insurance policies was eclipsed by a Florentine inspired approach, particularly a Florentine insurance contract.
