Acrylic Art Paintings | It's All Relative Art

It's all relative, that is, quantifiable in terms of individual perception — the way we both view it, albeit differently. If this is the case, then everything in life is relative because we all look at things from different perspectives. What I consider warm, you may consider cool.

What does "It's All Relative" Mean? | LitReactor

It just goes to show that people's ideas of what wealth are have become so skewed. And, that people aren't realistic at all about what they have. The reason I was struck by this particular conversation was because just the night before, I'd had a "Come to Jesus" conversation with Little ThreeYear.

It's All Relative: Key Ideas and Common Misconceptions ...

Cultural relativism is the idea that a person's beliefs, values, and practices should be understood based on that person's

own culture, rather than be judged against the criteria of another.. It was established as axiomatic in anthropological research by Franz Boas in the first few decades of the 20th century and later popularized by his students. Boas first articulated the idea in 1887 ...
