In response to the widespread use of botanical therapies in the United States, Medical Economics Co has published a new Physicians' Desk Reference for Herbal Medicines. This latest PDR provides details on more than 600 herbal medications. Because herbal products are not subject to the same safety and efficacy testing that the Food and Drug Administration requires for prescription drugs, health care professionals often have little, if any, information on which to base their recommendations ...

PDR for Herbal Medicines, 4th Edition: Thomson Healthcare ...

Physician's Desk Reference (PDR) for Herbal Medicines. Botanical remedies, used successfully for centuries in the Orient and routinely used as natural alternatives for prescription drugs in Europe, are currently gaining wide popularity in the United States. Now the publishers of the most accurate reference for FDA-approved drug information brings you the complete, authoritative reference on the administration, use, and effectiveness of herbal remedies.
