Risk Management Practices Of Smes

As SMEs become more active in supply chains, their ability to manage risk becomes more important. However, with often limited resources, getting control of threats is much easier said than done. SMEs are often fearful of taking on debt, meaning investment in risk-prevention strategies is sometimes limited.

Risk management and SMEs - Achilles

Objectives of the dissertation are; to investigate risk management practices of SMEs in Sekondi-Takoradi, and to contribute to knowledge of risk management practices of SME survival. Risk management in SMEs: A systematic literature review ...

A risk-based approach enables SMEs to dare to take a chance in pursuing their objectives. This is by no means to advocate being reckless or gambling with resources; it is about taking action when opportunities present themselves, based on a thorough assessment of all the circumstances. This is an integral part of risk management.

Call for case studies: Good practices in risk management ...

The analyses done to investigate the risk management practices of small and medium scale enterprises (SMEs) in Nigeria showed the following: the use of conventional insurance policy as a risk management tool is not given serious consideration as none actually have or contemplate acquiring insurance cover for their business.
