Official SAT Study Guide with DVD, The (College Board ...

The printed contents of this book with the DVD are the same as that of its predecessor without the DVD, The Official SAT Study Guide, 2nd edition. I gave this book five stars for the same reason as its predecessor: it contains the best practice tests available. The difference between this book and its

predecessor edition is the DVD and the price, which on Amazon is an extra \$8.11 (Amazon prices as of Jan 5, 2012).
