A dream is a succession of images, ideas, emotions, and sensations that usually occur involuntarily in the mind during certain stages of sleep. The content and purpose of dreams are not fully understood, although they have been a topic of scientific, philosophical and religious interest throughout recorded history. Dream interpretation is the attempt at drawing meaning from dreams and ...

She Who Remembers is a title given to female serpents who maintain their full ancestral memories even in serpent form. Few such serpents hatch but they are of great importance as they must lead serpent tangles to the former Serpent River to the cities of Frengong and Cassarick to cocoon. She Who Remembers is intended to meet with tangles, using her venom spikes to release venom memories of the migration route.
