Amazon.com: Customer reviews: Sound and Script in Chinese ...

In this moment of globalization Jing Tsu's Sound and Script in Chinese Diaspora asks readers to step back and critically contend with multi-faceted, polynodal presentations of Chinese as language and literature. Her textured and illuminating analyses of native language and writing debates, technological innovations, and the politics implicit in linguistic standardization open up possibilities for engaging with identity and "all its attendant concepts of nativism, nostalgia, nationalism, and ...

Sound and Script in Chinese Diaspora | East Asian ...

In Sound and Script in Chinese Diaspora, Jing Tsu explores the new global language trade, arguing that it aims at more sophisticated ways of exerting influence besides simply wielding knuckles of power. Through an analysis of the different relationships between language standardization, technologies of writing, and modern Chinese literature around the world from the nineteenth century to the present, this study transforms how we understand the power of language in migration and how that is ...
