I have a 1991 Yamaha TDM 850 that one of my friends gave to me in boxes. Do you have any complete parts manuals that list every part by a number and by manufactures part number so I can order anything that is missing and I can also see how it is to go back together. A PDF file would be the best. Thanks

Workshop Manual Yamaha TDM 850 '96 (4TX). (Download from the great JBX site) Here I have the same problem. I can't seem to find the workshop manual for the '91 model. I'm guessing this one is also used for the '91 model. I have the '91 Workshop Manual photo copied, but it's an awful copy.
