I have announcement list, It's name is anno and It has Title column, Body column and image column. What I want to do is to create a new modern page(All News), and If the user enters a new item in this list, it should be added automatically in the All News page one by one. How to reach to this?

Review of The ADD Answer

To add mixed numbers, start by adding the whole numbers together. Next, find the lowest common denominator of both fractions and convert the fractions so they both have this denominator. Then, add the fractions by simply adding the numerators together. Finally, add the sum of the whole numbers and the sum of the fractions to get your final answer.

How to Answer "What Can You Contribute to the Company?"

The easiest way to do this is to use an example from your background and experience. Then use the S-T-A-R approach to make the answer a STAR: talk about a Situation or Task (S-T), the Action you took (A) and the Results achieved (R). This is what makes your interview answer uniquely yours and will make your answer a star!
