governments, the apartheid state did not seek to create a new psychology and psychiatry in its own image but was instead motivated by a ...

## **The Psychology of Esports: A Systematic Literature Review**

It has been widely believed that psychology in Germany, faced with political antipathy and mass emigration of its leading minds, withered under National Socialism. Yet in *The Professionalization of Psychology in Nazi Germany*, Ulfried Geuter tells a radically different story of how German psychology, rather than disappearing, rapidly grew into a fully developed profession under the Third Reich.
