Malissa Buzan embodies the spirit of community service. She acknowledges, without judgement or discouragement, that at any given time, some people will be going through a rough patch and need a helping hand. A cold winter causes heating bills to skyrocket or the roof to cave in. A fire takes everything from the family whose house is uninsurable.

Spirit Releasement Therapy is a special form of healing which "calls forth" and identifies positive energies that enhance personal growth, and clears negative energies (whether internally generated or externally attached) that restrict personal growth -- on levels ranging from cellular consciousness to archangelic realms.

### **Spirit Releasement | Free Yourself To Be Yourself**

Spirit Releasement Viruses are around us all the time. Generally, we are only susceptible to their influence when our own defense / immune system is weakened (by stress, poor nutrition, lack of rest, etc.) Energy or spirit attachments are like viruses, taking advantage of a lowered energetic defense system to invade our energy field.
