Bing: Urban Shaman The Walker Papers

Walker Papers is a series of urban fantasy written by all-time New York author C.E Murphy. The series feature the main character named Joanne Walker, a beat cop and also a shaman. The author, Murphy also writes other romance and fantasy series such as Strongbox Chronicles, Negotiator Trilogy, and Inheritors Cycle.

The Walker Papers: Urban Shaman by C. E. Murphy (2009 ...

Urban Shaman (eBook) : Murphy, C. E. : Joanne Walker has three days to learn to use her shamanic powers and save the world from the unleashed Wild Hunt. No worries. No pressure. Never mind the lack of sleep, the perplexing new talent for healing from fatal wounds, or the cryptic, talking coyote who appears in her dreams. And if all that's not bad enough, in the three years Joanne's been a cop ...

Urban Shaman (Walker Papers, #1) by C.E. Murphy

Thus begins The Walker Papers, [Urban Shaman] the first book of the series. I liked the character, enjoyed her growing awareness of powers and her problematic and skeptical attitude toward the whole thing. But since suddenly that rider was after her, too, well, she didn't have much choice about buying in to what was happening to her.

Urban shaman (eBook, 2005) [WorldCat.org]

Urban Shaman is a tight, efficient, and fun read, and the subsequent Walker Papers books have not disappointed in that respect. Anybody can nitpick something to death, but there is a lot to be said for putting your brain on hold and taking a fast, fun ride with a skilled author.

Walker Papers Series by C.E. Murphy - Goodreads

And “Urban Shaman”, book one of the “Walker Papers”-series, is just that. There is Joanne Walker, whose birth name is Shiobhan Walkingstick and both are more than names: Joanne is a woman in her twenties who carries the legacy of two peoples in her, that of her Irish mother and of her Cherokee father.

Urban Shaman is an example of why I have a love-hate relationship with series books that have been out for some time before I read them: I love the fact that I can go get the next book now instead of having to wait for it to be released, but I hate that it's been out all this time (sitting on my shelf, even) and I haven't read it before this.

Urban Shaman (Walker Papers Series #1) by C. E. Murphy ...

Finished Urban Shaman (The Walker Papers, Book 1) and it was GREAT but the first few chapters were so delightfully entertaining that the rest of the book kinda paled in comparison in a strange way. The story was pretty much the "girl with hidden powers that suddenly awake" thing we have all read before but with some twists to make it original enough but the banter was awesome and it made the book for me.
