3| Keep students' dignity intact. My number one goal for disciplinary interactions is to keep student dignity intact. When students arrive in the principal's office, they are already nervous, defensive, and scared. It can be a challenge not to respond to their energy, but it is absolutely necessary.

## **10 Simple Ways to Improve Children's Behavior (Home/School)**

The most powerful tool for effective discipline is attention—to reinforce good behaviors and discourage others. Remember, all children want their parent's attention. Catch them being good. Children need to know when they do something bad--and when they do something good. Notice good behavior and point it out, praising success and good tries.
